S

To her breast she holds him tight-ly; Hush, be still, ful-filled is now God's will.
Bells from hea-ven faint-ly ring-ing; Hush, be still, ful-filled is now God's will.
 Whilst the lit-tle one is sleep-ing; Hush, be still, ful-filled is now God's will.
To the in-fant, pure and ho-ly; Hush, 'tis Christ-mas morn, the Lamb of God is born.
